Rapid Tests for Laboratories & Diagnostics
2018

PRODUCT CATALOGUE

Substance Abuse Test

iDUN's substance abuse tests are a cost-effective aid in the detection of drugs, medication and their metabolites in both urine and saliva samples. Tests determine the presence of substances, offering quick and reliable results within 5 minutes. The accuracy rate reaches over 99%.

Fertility Test

iDUN's women's health products include rapid tests for hCG, LH, and FSH. Like all of our products, iDUN's fertility tests are very cost-effective and most are CE Marked and FDA 510(k) cleared for professional, CLIA-waived, and over-the-counter (OTC) use. Now we get the Digital Pregnancy Tests, replaceable ovulation tests kit and color changing absorbing midstream available which can indicate the sufficient samples collection.

Infectious Disease Test

Our Infectious Disease Test has been massively shipped to Africa, Southeast Asia and Middle East in the channel of tender, government procurement, wholesales and etc. The product has CE marked only, so it is not suitable for US market. The customers from the markets outside of US are welcomed. NOT for Sales in USA.

Sexual Transfer Disease Test

Sexual transfer disease are infections that are commonly spread by sexual activity. iDUN's Sexual Transfer Disease Test is a rapid immunoassay for direct qualitative detection of syphilis, chlamydia and gonorrhea in human blood, urine and swab. NOT for Sales in USA.

Tumor Marker Test

iDUN's Tumor Marker Test is a simple direct binding immunoassay for the rapid, qualitative detection of human biomarkers in blood, feces and other body tissues that can be elevated by the presence of one or more types of cancer. NOT for Sales in USA.

Substance Abuse Test

" * " represents FDA 510K Exemption for use in employment and insurance testing.

Inventory in US available for delivery within 24 hours

iDUN Solutions LLC, a privately held company with its office in the Silicon Valley, Northern California, desires to provide better services for the US market and customers. Its R&D team with decades of research experience in the RDT industry allows iDUN to establish the most comprehensive product lines covering workplace drug screening tests, home drug tests, female fertility tests, infectious disease tests, tumor markers, and cardiac vascular tests etc. Our mission is to “bring our customers the true value” through our extraordinary product quality and outstanding customer service.

iDUN’s manufacturing facility can easily meet the demand of 200,000 Mutual Drug Urine Test Cups per working day based on a 3.0 million square feet GMP standard complied manufacturing clean room. Most of our products are FDA Approved and CLIA WAIVED for the U.S. market; as well as CE marked for markets outside the U.S.

We will continue to offer our customers the most affordable and competitive products through our high standard R&D and production activities. We also offer OEM products, customized assembly, private labeling, customized cassettes, color designed foil pouch and customized commercial box package design.

We are proud to say: our factory is your factory.
